1. Item 1A1 references Mobilization (Equipment & Personnel), while Item 1A2 references Demobilization and appears to primarily address equipment removal. Could you please clarify where proposers should include personnel demobilization costs, such as return airfare, travel expenses, and related personnel demobilization costs at project completion?

CUC RESPONSE: The mobilization and demobilization items are for equipment and materials. Personnel should be in line with item 1F (TRAVEL, TRANSPORTATION & LODGING) to Saipan and for the return of personnel.

2. Should these costs be included under Item 1A2 – Demobilization, Item 1F – Travel, Transportation & Lodging, or may personnel demobilization costs be included within Item 1A2?

CUC RESPONSE: Costs for personnel should be included in 1F.
